BAR HILL RESIDENTS ASSOCIATION

Changes to the Committee

We welcome Kathryn Carse as our Secretary.

James Newcome has had to resign from the Committee owing to work commitments.

The next meeting will take place on Monday 8th August at 23 Foxhollow at 8.00 p.m.. Anyone interested in the work of the Association is welcome.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 19th July in the school lounge.

New Policing Arrangements

The Parish Council was pleased to welcome Supt. Murden, who explained the new policing arrangements which will take effect from 5th September. Bar Hill is to come under the Histon section instead of Papworth and telephone enquiries should be made to Histon police station (tel. Histon 2222) instead of Girton. Alternatively, members of the public can telephone Parkside police station (Cambridge 358966) and a radio message will be sent to P.C. Constable, the officer in charge of Bar Hill. The new arrangements should give P.C. Constable and his relief officer, P.C. Bird, more time in Bar Hill. It is hoped that in due course Bar Hill will have its own resident policeman, although this is not likely to happen in the immediate future.

The Mall

Nothing further has been heard about the plans for altering and renovating The Mall and the Council decided that during the coming month ideas for improvements to the area should be collected so that the matter can be discussed at greater length at the August meeting.

Bus Stops

The Clerk is still in correspondence with Eastern Counties regarding the stopping places for the bus. It is hoped that eventually the route will be changed so that the necessary waiting time can be at The Fox instead of Pheasant Rise.

Road Signs

Traffic problems in Viking Way should be eased by the erection of a sign at the entrance to Hanover Close pointing out that it is private property and that there is no through road. Tesco are considering obtaining signs directing motorists emerging from that car park into Viking Way in the correct direction.

Village Green

Following a recent incident in which a dog was injured by a golf ball, the Parish Council asks residents using the village green for ball games to exercise sensible caution to avoid accidents.

The next meeting of the Parish Council will be held on Tuesday 16th August at 7.30 p.m. in the Village Hall (not the School Lounge).

BAR HILL COMMUNITY PRIMARY SCHOOL

August is with us again and unfortunately the school is closed for activities during this month of holidays and, we hope, sunshine.

The children often find that time can hang on their hands and I should like to draw your attention to some local activities.

The Library Van will be holding story times for the 4-9 yrs. age group on Thursday 4th, 11th and 18th August from 2.45pm - 3.30pm, weather permitting. Children who have attended these sessions at the various libraries have found them very good fun.

There are Playschemes running for a fortnight, mornings only at Over and Swavesey. The Over scheme is already fully booked and the Swavesey one has a very few places left - contact the Village College. I do feel that Bar Hill is perhaps missing out on this facility and should be thinking of running its own Playscheme next summer, and I should be very pleased to hear from interested parents who might spare a short period of time as volunteer helpers assisting a paid Play Leader.

Swavesey Village College swimming pool will be open from 2.30 to 6.00pm daily and costs 20p adult and 20p children. Family tickets can be obtained at a cost of £8.50. Perhaps car sharing can play a part in this?

As you may be aware it was the hope of the Community Users Association to provide extra facilities in what had become to be known as the Community Lounge Terrapin. Unfortunately, owing to the pressures being made on Mobile Classrooms we are to lose this facility altogether. Representations have been made to the Council that this valuable facility should be left but at the time of writing this it has not been successful. Needless to say we shall make all regular Lounge users as comfortable as possible and are currently working on ways and means to achieve this.

Have a good holiday and look out for details of forthcoming events to be held at your Community School.

I. Abraham
Community Secretary

You will have read above that the County plan to remove all three terrapin classrooms from the school during the summer holidays. This will mean that we will lose our school 'store' which has in fact been very successfully converted into the Community Lounge. It will also mean that there will be no chance of creating an independent lounge which could be used by the community during the weekends and school holidays.

Many of our user groups will be affected by the loss of the terrapin, although we know we can rely on the school to help all users in any way possible. I'm sure everyone will be fitted in somewhere and I hope all users will co-operate to minimise any inconvenience involved.

As from September the school will be full, and the numbers are still increasing, so before long we shall need another terrapin classroom. We have pointed this out to the county in the hope that it would make economic sense to them to leave a terrapin here, rather than move it and bring it back (and we could use it as a lounge in the meantime). However, the county do not agree.

The possibility remains that the community could finance purpose built facilities at the school - meetings room, cloak-rooms, bar, etc. At the same time we know that the Village Hall is over-crowded and consideration is being given to expansion there.

Perhaps now is the time for all members of the community in the village to get together to consider objectively what facilities are required, not just at the present time but to cater for a growing population, and how and where these facilities can be provided.

Several village organisations have not so far nominated a representative to serve on this committee. We would urge all organisations to be represented on this committee so as to make the committee more workable, and so as to best serve all members of the community in Bar Hill. If your organisation is not represented or if you are not sure whether you are entitled to send a representative, please contact the secretary. The meetings are held on the fourth Thursday of each month in the committee room at the Village Hall.

PRE-SCHOOL PLAYGROUP

Summer holidays are here again. At the end of term we say goodbye to those of our children off to school in September and wish them well. Many thanks also to Mr Norton and his reception teachers for allowing us to visit throughout the year.

Our summer events were well supported and most enjoyable. We rounded off the term with Sports Day, a beautiful sunny day which was enjoyed by all. Especially the picnic afterwards. Congratulations to Glenys Day, the Mums race winner and Mr. Charlesworth (James' Dad) for fighting off the opposition in the Dads Race! Did a mum take home from the picnic the wrong oblong tupperware container - if so, Liz Efford has yours. (Liz is at 82 Hollytrees).

We wish Jan, Tricia, Val and Heather and Jane a good holiday and a well earned rest. Many thanks also to all mother helpers throughout the year.

At the Summer Fete on September 3rd. we will have 'Playgroups Pantry' selling our new recipe book and samples. Sweets and craft equipment should also be on sale.

The new term begins on Monday September 12th.

Would anyone interested in a "Living and Working with the Under 5's" evening class, a ten week course for Mums and Dads, contact Jan Hewins (80435). The course at Elsworth on Monday continued/

BAR HILL

EKINS have had a long association with BAR HILL and to maintain our service we appoint an experienced sales negotiator to have sole responsibility for the village.

PAUL KINALLY is our specialist - call him on Crafts Hill 81543 or Cambridge 65931.

PAUL will be pleased to call at any time to discuss your property and advise you without obligation what price it should bring in today's market. (If you have already instructed a firm of agents to act on your behalf, we can only accept instructions from that agent).

There is a buyer for every type of property and it is our business to not only find that buyer but to get the highest possible price.

The way to sell your property in the shortest possible time, at the best price, is to put it before the largest number of buyers. This we can do.

We have seven major offices throughout Cambridgeshire and Bedfordshire and over 140 staff working to sell your property.
